	Nothing's too hard for God; He's able; Specializes in the impossible								
	F			F <sup>m</sup>	aj7				
	Trials you face overwhelm you; Doesn't seem to be a solution in view								
	D <sup>m7</sup>		С			B			
	Nothing's	too hard	l for God	d; He'll b	reakthr	ough;	He'll	strengthen you too.	

```
Chorus in 'F': He is able to do more than what we ask
                            C D^{m7}
               He is able to do more than what we imagine
                                      D^{m7}
                                                              F/A
               He will go beyond our highest expectations
                            B<sup>b</sup>/C
               He is able to meet our every need
                                                        G<sup>m7</sup> ...... Continue playing INTERLUDE below
               God is more than able to meet our every need
God is able; He's able; God is able; He's able; God is able; He's able;
Bridge:
                      F/A
               God is able; He's able.
                      R<sup>bmaj7</sup>
                                                                     G<sup>m7</sup>
                                             F/A
               God is able; He's able; God is able; He's able; God is able;
                                                            G<sup>m7</sup>
                                         F/E<sup>b</sup>
                                                                                          (D<sup>sus</sup>)
               To meet our every need; God is more than able to meet our every need.
          A<sup>m7</sup>
                           D G
Chorus in 'G': He is able to do more than what we ask
                             D E^{m7}
               He is able to do more than what we imagine
                                     E<sup>m7</sup>
                             D
                                             D
               He will go beyond our highest expectations
                     A<sup>m7</sup>
                           C/D
               He is able to meet our every need
                                 A<sup>m7</sup> C/D
               God is more than able to meet our every need
                                                         C<sup>maj7</sup> ///; C<sup>maj7</sup> /// G///
               G/F
                                         C/D
                                                  D
               God is more than able to meet our every need
